**Daily Transport  
2017-2018**

31 March 2017

Dear Parent

We are in the process of organising the school transport for the next academic year, commencing on 7 September 2017, and attach to this letter an information sheet and timetable.

If your daughter is already catching a minibus/coach on a termly basis we will assume, **unless you advise us otherwise**, that she will continue to do so for the Autumn term 2017. The charge for this will appear on your Autumn term bill which will be issued in the summer.

Those parents who would like their daughter(s) to start catching the bus in September 2017 should either email Vicki Carter at [carterv@kentcollege.kent.sch.uk](mailto:carterv@kentcollege.kent.sch.uk) with their request or complete the attached form and return it to Vicki **before the end of June**.

Both morning and afternoon services have been heavily subscribed for the current academic year and in some cases we have had to operate waiting lists. To ensure your daughter is guaranteed a place and in order to enable us to make adequate provision, it is essential that we know your plans before the end of June.

Yours sincerely

**Angela Jenkins (Mrs)  
Bursar**

Daily Transport 2017-2018**

**Destinations and Timings**

The routes and times shown on the adjacent sheets are based on those operated during the School year 2016-2017 and may be varied over time as the population of the school changes. Destinations may be added or amended only at the beginning of an academic year.

**Charging Structure and Prices**

The charging structure is split into zones. The School is used as the central point and the charges are based on the destination distance from the School.

A one way journey is 50% of the full return fare.

Charges for the bus are payable in advance and casual use in arrears.

<b>Termly Charge</b>		
Zone 1	Up to 7km	£330.00 per term return journey
Zone 2	7km to 9km	£370.00 per term return journey
Zone 3	Over 9km	£470.00 per term return journey

<b>Casual Use (subject to availability)</b>	
Zone 1	£6.90 cost per journey
Zone 2	£7.90 cost per journey
Zone 3	£9.90 cost per journey

A 5% sibling discount is offered where two or more daughters are booked to use school transport on a termly basis.

The availability for casual journeys is limited and girls are requested to sign-up on the bus lists which are put up daily in the corridor outside the Bursary if these are required. Please note that there are no guarantees for a place for ad-hoc requests and it can also be more cost effective to reserve a space for your daughter on a termly basis.

**Notice Period**

***Please note that we require half a term's notice in writing if you wish to cancel the service. Please email Vicki Carter direct at [carterv@kentcollege.kent.sch.uk](mailto:carterv@kentcollege.kent.sch.uk).***
